

# MADAM MISFIT

## ABOUT

Since 2019, Madam Misfit has dominated stages big and small with her unique blend of hip-hop and swing. This has been showcased in two successful albums and racking up over 1 million streams on Spotify. Describing herself as a kid with a mic and a mortgage, she orchestrates audiences into a world where mayhem and mischief reign supreme with her witty rhymes, proving herself a powerhouse and true maestro of mischief.
